

Hello dear colleagues,

I hope you are doing well.

I was ill and that is why I did not send any information concerning participation in the conference.

Mr Nodari Ebanoidze, GFPAA Board member will participate into your conference. Please send the invitation to his name. He would like to have a speech. We will let us know the title and the speech itself until May 1.

Thank you in advance.

Sincerely,

Marina Revazishvili
Education Coordinator
