Dear Mr Navruzov,

Congratulations on the 30th Anniversary of the Chamber of Auditors of the Republic of Azerbaijan

On behalf of the Board of EFAA for SMEs, the European Federation of Accountants and Auditors for SMEs, and personally, I am delighted to extend our heartfelt congratulations on this remarkable milestone. Thirty years of commitment to advancing the accountancy profession is a testament to the Chamber's dedication, vision, and leadership.

The Chamber of Auditors of the Republic of Azerbaijan has consistently demonstrated its engagement in the international community and its determination to support the professional development of its members. Your active participation in EFAA events, expert groups, and initiatives has enriched our collective efforts and fostered valuable exchanges that benefit all our members.

We particularly commend the Chamber's role in promoting transparency, combating corruption, reducing the shadow economy, and improving financial reporting standards. These achievements underscore the vital contribution of the accountancy profession to a healthy economy and a well-functioning civil society.

As an EFAA member since 2008, the Chamber has been a trusted partner in our shared mission. We look forward to continuing this fruitful cooperation and building on the strong foundation of the past three decades. Warmest congratulations once again on this significant anniversary.

Yours sincerely,

Salvador Marín
EFAA President
