Professor Vahid Novruzov
Chairman of the Chamber of Auditors
of the Republic of Azerbaijan

Dear Professor Novruzov,

On behalf of the Latvian Association of Certified Auditors, I would like to sincerely thank you for your kind letter and for the opportunity to participate in the events dedicated to the 30th Anniversary of the Chamber of Auditors of the Republic of Azerbaijan.

It was a great honour and pleasure for us to be part of such a significant and exceptionally well-organised event. The Jubilee and the International Scientific and Practical Conference brought together representatives of the audit profession from many countries and gave us a valuable opportunity to meet and exchange views with colleagues, particularly from the Caucasus region.

We were deeply impressed not only by the warm hospitality extended to us in Baku, but also by the strong sense of unity, professionalism and commitment within the Chamber of Auditors of the Republic of Azerbaijan. We highly appreciate your personal contribution, Professor Novruzov, to building and developing such a strong professional organisation over these 30 years.

For many years, close cooperation with the auditors' organisations of Estonia and Lithuania has been especially important to LZRA. We are therefore very pleased that our circle of professional partners and friends is expanding beyond the Baltic region, and that we are developing such warm and professional relations with the Chamber of Auditors of the Republic of Azerbaijan.

During our visit to Baku, we also had the pleasure of participating in a joint meeting with H.E. Mr Edgars Skuja, Ambassador of Latvia to Azerbaijan, together with representatives of the Chamber of Auditors of the Republic of Azerbaijan. The meeting provided a valuable opportunity to discuss possibilities for further cooperation, the exchange of professional experience, and the strengthening of professional ties between Latvia and Azerbaijan.

We have also shared information about the Chamber's 30th Anniversary and the International Scientific and Practical Conference with the Latvian audit community through the LZRA website:

We sincerely hope that our meeting in Baku will mark another important step towards closer cooperation, exchange of professional experience and future joint initiatives between our organisations.

Once again, please accept our warmest congratulations on the 30th Anniversary of the Chamber and our sincere wishes for continued success, development and many new achievements.

With warm regards,

Anita Mihejeva
Executive Director
