Dear Mr Navruzov,

Congratulations on the 25th Anniversary of the Chamber of Auditors of the Republic of Azerbaijan

I am writing on behalf of the EFAA Board and all the EFAA members to express our congratulations on this very significant anniversary. The participation and contribution of the Chamber of Auditors of the Republic of Azerbaijan in international organisations demonstrate its engagement and its desire to support the professional development of its members. Over the years CAAR's representatives have contributed to, and actively been involved in, various EFAA events, expert groups and other activities and this has proved to be a valuable exchange for all EFAA members.

I would like to stress especially the importance of the engagement of the Chamber of Auditors in increasing transparency, strengthening the fight against corruption, eliminating the shadow economy, and improving financial reporting. All these activities prove the importance of the role the accountancy profession and its role it plays in supporting and guaranteeing a healthy economy and a well-functioning civil society.

The Chamber of Auditors of the Republic of Azerbaijan has been an EFAA member since 2008 already. I strongly believe that this cooperation has been beneficial for both organisations and am looking forward to continuing to develop this very fruitful relationship.

Yours sincerely,

Salvador Marín
EFAA President
