## Letter of congratulations

Dear Mr. Vahid Novruzov,

With our sincerest regards we congratulate the amazing milestone that is the 25th anniversary of the Chamber of Auditors of the Republic of Azerbaijan (CAAR).

We commend you for the great work that has been done by your Chamber for promoting the auditing profession by publishing numerous books on auditing, textbooks for universities, journals and hosting many international scientific-practical conferences, symposiums and forums.

The Chamber of Auditors of the Republic of Azerbaijan (CAAR), has made a great contribution by signing cooperation agreements, protocols of intent and memorandums of understandings with more than 40 audit and accounting organizations from foreign countries, including the 2013 Memorandum of Cooperation between The Institute of Certified Auditors of the Republic of Macedonia (ICARM) and Chamber of Auditors of Azerbaijan Republic (CAAR) for which we are particularly pleased.

Furthermore, we hope that in the future The Institute of Certified Auditors of the Republic of Macedonia (ICARM) and Chamber of Auditors of Azerbaijan Republic (CAAR) will develop and broaden the cooperation and enter new ventures as partners in promoting and developing the auditing profession.

We are delighted to celebrate with you this special anniversary and we wish that you achieve all your prosperous plans and goals for the Chamber of Auditors of the Republic of Azerbaijan (CAAR) in the upcoming years.

We once again congratulate you and wish you even more successful endeavors, new and exciting projects and many more anniversaries worthy of celebration.

Sincerely,

Dragan Dimitrov, M.Sc.  
President of ICARM
