

Dear Mr Garayev,

Thank you very much for the invitation. Estonian Auditors' Association would definitely be pleased to send a representative to attend the conference and, if possible, give a presentation or attend a discussion panel. Our first preference would be to talk about digitalization and e-services, where Estonia traditionally has strong experience and expert knowledge, but it'd probably be possible to pick something from your list as well.

Could you please let me know, how this fits in your plans.

Kind regards,

Andres Hurt
